the complaint of W. H. Goan that his
automobile was hit and demolished,
and himself injured seriously, by a car
owned by the defendant company, and
caused by the negligence of the em-
ployees of the company.****The defendant admits that one of
its cars "slightly collided" with the
plaintiff's automobile, but denies that
it was in any way due to the negli-
gence of those in charge of the car,
but instead attributable to the fault
of the autoist to look up and see
the car as they claim, nothing what-
ever obstructed the view of the ap-
proach of the car.****Dr. Dickson's

OGDEN MEN AT
ITS HEAD**Salt Lake, Aug. 30.—Incorporation
papers for the People's Sugar com-
pany were filed yesterday at the of-
fice of the secretary of state and the
organization of the directorate of the
company was effected and officers were
elected at a meeting of the incor-
porators in this city yesterday after-
noon.The specified purpose of the com-
pany is to build a sugar factory in
Sanpete county on a site in the north
end of that political subdivision yet
to be determined. The company is
capitalized for \$750,000, divided into
75,000 shares of preferred stock at a
par value of \$10 a share and 150,000
shares of common stock at a par value
of 10 cents a share.Of the common stock, 75,000 shares
are to be held in the treasury, to be
converted later if deemed advisable.
The incorporators of the company are
George E. Browning of Ogden,
president; John Stringham of Salt
Lake, vice president; Samuel Stank
of Salt Lake, treasurer; N. G. String-
ham of Salt Lake, secretary, and H.
C. Beaumman, C. L. Whitney and G.
Emmett Browning, additional direc-
tors.At the organization meeting yester-
day afternoon G. Emmett Browning
resigned from the directorate and
Louis Anderson, president of the
Manti City bank, was elected to the
vacancy. Mr. Anderson was original-
ly used for the position, but could
not be present for the organization.
Other changes in the directorate will
be made, it is understood.The company, which is an independ-
ent corporation, has 4,500 acres of land
under three-year contracts for beet
raising at the present time, according
to N. G. Stringham, secretary of Salt
Lake. Mr. Stringham said last
night that the site for the factory
would be selected within a week and
construction work begun immedi-
ately, the factory to be ready to handle
the 1917 beet crop. The venture is
being financed by Utah capital, says
Mr. Stringham.**F. R. TACKLER GIVEN
SIX MONTHS IN
COUNTY JAIL**F. R. Tackler, who was arrested
while in the act of robbing the Thom-
as Grocery store, 1800 Washington
avenue, several weeks ago, was sen-
tenced this morning to serve six
months in the county jail.Tackler's two confederates were
sentenced to indeterminate terms in
the state penitentiary, but owing to
his youth, District Attorney Davis re-
commended a mild sentence.
Members of the sheriff's office con-
sider Tackler an experienced crook.
Impudence and indifference to the of-
ficers' questions are characteristics of
him and his departed pals. He dis-
plays a remarkable familiarity with
the inside of a jail.John Hidalgo, a Mexican, was given
a sentence to the state prison of from
one to ten years for grand larceny.
He pleaded guilty to stealing a quan-
tity of clothing and other parapher-
nalia from several countrymen.**MATTIE LLOYD FALLS
AND IS INJURED
AT LAGOON**Mattie Lloyd, of 2617 Wall avenue,
was painfully injured last night at
Lagoon, as a result of the electrical
storm which occurred about 8 o'clock.
The young woman went to the re-
sort with several companions on the
train leaving Ogden at 7:30 o'clock.
The storm began before the train
reached Lagoon and in that locality
the rainfall reached the proportions of
a cloudburst.Almost at the time the pleasure-
seekers arrived at their destination,
the electrical disturbance put the
lights in the park out of commission.
While the majority of the passengers
remained on the train, from which the
power had been taken, some of the
more venturesome attempted to reach
the shelter of the buildings in the re-
port. Among these was Miss Lloyd
and her companions. They ran
through the main gateway and toward
the rolling skating pavilion. Miss
Lloyd was in the lead and just before
reaching the pavilion, she stumbled
and fell against a bench, striking on
her left side with considerable force.
She was rendered virtually uncon-
scious and being unable to cry out,
was nearly trampled upon by her
friends.A vivid flash of lightning, however,
revealed her position to her friends
and she was picked up and carried
into the pavilion. Due to the power
not being restored to the interurban
railway at that point until nearly 11
p. m., the injured girl did not receive
medical attention until midnight. The
first train from the resort, following
the cessation of the storm, reached
Ogden shortly before 12 o'clock.It was met by Dr. E. R. Dunke, who
had been notified by telephone and
Miss Lloyd was removed to her home
in the physician's automobile. It was
found that the muscles had been
wrenched loose from several ribs on
her left side, but that no bones were
broken. She was resting well this af-
ternoon, but will probably be confined
to her home for several weeks.**TWENTY-FIVE DAYS
IN JAIL FOR TWO
OFFENDERS**For assaulting Ralph Hall with a
club, Monday night, on lower Twenty-
fifth street, Jim Krichas and Sam
Rakas, Greek youths, were each sen-
tenced to serve 25 days in jail. The assault
upon Hall followed a quarrel in a
Greek club, in Electric alley, and the
defendants pleaded guilty to a charge
of battery. They were arrested by
Patrolmen Sullivan and Canfield.Heber L. Olson of Logan was fined
\$10 for operating an automobile at an
unreasonable rate of speed, and J.
Adams was fined \$5 for driving an
automobile past a street car, while
passengers were being unloaded.John Carney was found guilty of
petit larceny and sentenced to serve
10 days in jail. He stole two and
one-half dozen eggs from the T. & L.
Coffee house on lower Twenty-fifth
street last night, committing the theft,
according to his statement, after he
had spent more than \$50 in riotous
living. G. S. Randall was sentenced to
serve 10 days in jail or to pay a \$10
fine, for drunkenness and disturbing
the peace. Mike McGinley, an old
offender, was treated likewise.Alfred Caldwell, F. G. Carroll, Page
Alexander, Robt. Hanley and Geo. Braw-
ley, plain drunks, were each given
a five-day jail sentence. Dr. Leland,
booked on a charge of drunkenness,
forfeited \$5 bail. Waldo Vinter, who
finished a 30-day sentence for vagrancy
last Friday, was sent back to jail
for ten more days for drunkenness.**CIVIL SERVICE POSITIONS**Prepare at home for civil service

BE ABOVE THE MAN?**Editor Standard: Ever since Mr.
Bryan made his "Cross of Gold"
speech, at the Democratic convention
in Chicago, the burden of his con-
tention goes on, "Shall the dollar
be above the man?"Words have ceased to be effective;
events are speaking now. Watch
them. The fight is on. Who will win,
the dollar or the man?Fortunately for the American people,
the common people, their govern-
ment is emphatically on the side
of the people. On the one side men,
women and children; on the other
stocks, bonds and dollars at that, but
largely foreign.Maybe the railway strike is a bless-
ing in disguise. The crisis is here;
been coming a long while, is due,
and on schedule time, and ought to
make the right connection. But will
the right connection be made, and
on the right track, coupled to the
right engine, the right engineer and
fireman, or will we get on the wrong
track and have a smash-up. Choose
quickly. No time to halt between
opinions. "If the dollar is the living
force, let's have the dollar. If the
man, let's have the man. One is a
living issue; the other deadlier than
the dead."The old, old story. God Almighty
or Baal; Elijah or Jezebel. Vox pop-
uli, vox dei.

**INVESTIGATION TO BE
MADE OF FIRE
DEPARTMENT**Ogden was visited about 9 o'clock
last night by a torrential rain storm.
Gutters and street intersections in all
parts of the city were flooded and in
some sections, the water got into
basements.The only particular damage reported
was in the composing and press
rooms of the Ogden Examiner, in the
basement of the Colonial Hudson build-
ing. The water, flowing down the
Twenty-fourth street gutters from the
east bench, reached flood tide at Hud-
son avenue and, backing up, flowed
over the sidewalk and into the base-
ment.A call was telephoned to the fire
department by one of the newspaper
employees, but the answer, according
to J. U. Eldredge, Jr., manager of the
paper, came that the department was
short-handed and the party speaking
did not feel justified in sending men
out to fight water.Chief of Police T. E. Brownling, who
was at the Weber club attending a
Fashion Show committee meeting,
was communicated with and immedi-
ately obtained a number of men from
the police station to remove the water
from the basement. Later, he got into
communication with Capt. Wardleigh
of the fire department, who asserted
he had not been informed of the first
call. The acting fire chief then went
to the scene of the trouble and ex-
plained that the department could not
pump water from a basement unless
the water was more than six inches
deep.It was nearly 11 o'clock, when the
water in Examiner rooms were cleared
of the water and the plant was shut
down during the intervening time.Mayor Heywood was at the depot at
the time of the flood and could not
be found, but later stated he had
ordered an investigation of the con-
duct of those at the fire department
to be made tomorrow afternoon.**PAVING PROTEST HAS

Charles H. Gosling have entered in the
district court a complaint against Ab-
bot R. Heywood, Chris Flygare and
Miles L. Jones, as commissioners of
the city of Ogden, asking the court to
issue an order requiring the defend-
ants to appear and show cause, if
they can, why the city engineer was
ordered to proceed with the paving of
Twenty-third street when citizens
owning more than two-thirds of the
property abutting thereon had signed a
petition protesting against the im-
provement.In the complaint the commissioners
are accused of striking from the pe-
tition a number of names so it would
appear that fewer than two-thirds had
signed the protest.**Society****BARKER-GARDNER.**
